Our innovative education program offers artmaking experiences for all ages and levels of skill – from toddlers to adults, beginners to those with expertise.

Adults are catered for through a series of weekday classes designed to build skills in the areas of drawing, painting and mixed media. We also provide intensive weekend sessions for adults based around specific art practices. There is also our new Saturday afternoon Drop-In Drawing session for teens to adults.

Children are catered for through our popular and ongoing classes including Art Club, Art Zone and our Sunday drop-in sessions, Art Space.

We also host a number of children's half-day workshops during each school holiday period and weekday sessions for school students by appointment.

All classes and events are guided by trained art educators and artists, providing quality learning in a relaxed and friendly environment. The program changes each term – why not join us for a term or just a day?

We look forward to seeing you at the gallery.
